#### **ABOUT THE CONFERENCE**

The 3<sup>rd</sup> International Conference on Innovation, Sustainability, and Applied Sciences (ICISAS 2026) stands as the flagship research conference organized by Curtin University Dubai. This prestigious multi-disciplinary conference is dedicated to advancing applied, specialized, and interdisciplinary fields. It offers a unique platform for participants to engage with leading researchers and professionals, exploring collective approaches to shaping the future through innovation, sustainability, and scientific excellence. Following the resounding success of our inaugural conference, ICISAS 2026 is poised to draw an even larger and more diverse group of experts from around the globe.

Over two days, attendees will experience a rich agenda that includes distinguished keynote sessions, plenary and special sessions, poster and oral presentations, symposiums, networking opportunities, and exhibitor showcases. The conference aims to uncover groundbreaking research findings and foster collaboration across various sectors, driving forward the frontiers of innovation and sustainability. The two-day program features **keynotes, plenary and special sessions, oral and poster presentations, symposiums, networking, and exhibitor showcases.**

## Important Dates

- **Paper Submission Deadline: 15 September 2026**
- **Acceptance Notification: 19 October 2026**
- **Registration Deadline: 30 November 2026**

## Submission Guidelines

- **Submission System:** Manuscripts must be submitted via **EasyChair** (submission link available on the conference website).
- **Templates:** Papers must be prepared using the official **IEEE manuscript templates** (LaTeX/Word). See: <https://www.ieee.org/conferences/publishing/templates>
- **Page Limits:** The **camera-ready** version must not exceed **6 pages**. A maximum of **2 additional pages** is permitted with mandatory over-length charges.
- **Language & Originality:** Submissions must be in English, original, not previously published, and not under review elsewhere.

## Peer Review, Quality & Ethics Policies

- **Full-Paper Review:** All papers undergo **full-paper peer review** (no abstract-only review).
- **Reviewers per Paper:** Each manuscript will be evaluated by **at least three (3) independent reviewers** from **different institutions**, with strict **conflict-of-interest** management.
- **Similarity Check:** All submissions will be screened using a professional similarity detection tool (e.g., Turnitin/iThenticate). Papers with **overall similarity >20%** (excluding references and boilerplate as appropriate) will be **desk-rejected** before review.
- **Acceptance Rate:** To ensure quality, the **overall acceptance rate** will be **maintained at  $\leq 50\%$** .
- **Ethics & Integrity:** The conference follows IEEE standards for publication ethics and technical quality.

## Presentation & No-Show Policy

ICISAS 2026 will be conducted in **physical mode**. **At least one author of each accepted paper** must **register and present** the work onsite; **no-shows** may result in the paper being **excluded** from the final proceedings and **not submitted** to IEEE Xplore®.

## Proceedings & Publication

All **accepted and presented** papers, prepared according to IEEE guidelines (including **page numbers**), will be **submitted to IEEE** for inclusion in **IEEE Xplore®** and indexing services, **subject to IEEE quality checks and policies**.

## Registration Fees

- **Regular (Non-Member): AED 600**
- **IEEE Member: AED 300**
- **Student/Doctoral Scholar: AED 300**

*(A valid IEEE Membership ID is required to avail the member rate; student rates apply to both IEEE and non-IEEE students.)*

## Awards

- **Best Presenter Award** in each track
- **Best Paper Award** for doctoral scholars
